To whom it may concern,

With the present letter, I highly recommend Prof. Zang Yingchun, professor at the Academy of Arts & Design, Tsinghua University, Acting Dean of Tsinghua Arts & Design Institute in Milan and Director of Department of Fashion and Textile Design at the same university for the CUMULUS EXECUTIVE BOARD VIII 2022-2025 Term.

Prof. Zang Yingchun's experience in design education and links with industries and organizations could be a strong asset for the Cumulus Executive Board. With the support of Tsinghua University, top university in China, she could be enhancing the influence of Cumulus in China. For her excellent administrative experience, she will be a capable leader during the transitioning period of CUMULUS.

Besides, Prof. Zang Yingchun has been in charge of international affairs and cooperation for 10 years in the academy. She has organized many influenced international conferences and competitions, established a lot of global cooperation. She has rich experience in international cooperation and communication.

In addition to the above, Prof. Zang Yingchun is a very amicable person with much administrative experience. Given the massive economic and social developments in China and Asia, I think it is important to have a good reflection of this in the executive board. I have confidence that she is the particularly appropriate candidate for board member.

Best regards,
