DESIGN
Nantes Atlantique

Nantes, May 10th, 2022

Dear Sir, Dear Madam,

Professor Satu Miettinen is a candidate for the Board of Cumulus organisation. She has been active member of Cumulus and engaged in leading the Service Design Working group with colleagues. Further, she was a Cumulus Rovaniemi conference chair in 2019. This conference has more than 500 Cumulus delegates. Throughout the years she has also participated in a number of Cumulus conferences since 2006. Further, the Faculty of Art and Design, University of Lapland has been active and committed member of Cumulus for long time.

Professor Miettinen has been leading international research consortiums and projects with top-funding instruments such as H2020, MCSA etc that promote not only scientific and design research but international and global collaboration. Her academic outputs are of high quality and numerous with more than 200 publications. She is an experienced academic leader. She is motivated in promoting Cumulusian values and insights as a prospective board member of Cumulus.

Best regards,

Christian Guellerin
