

Monterrey, México  
February 12th, 2025

We, Universidad de Monterrey, a Full Member of Cumulus, hereby officially endorse Alessandra Perlatti for the position of Cumulus Executive Board Member for the term 2025–2028.

Alessandra Perlatti currently holds the position of Director of the Roberto Garza Sada Center for Art, Architecture and Design at Universidad de Monterrey and has demonstrated exceptional leadership, expertise, and commitment to advancing art and design education. Under her responsibility is also the Centro de las Artes UDEM, which aims to transform the campus into a space where our community, students, professors, and staff can find transformative experiences through art and creation. Her contributions align closely with Cumulus' mission and values, and we are confident that they will bring valuable insights and dedication to the Cumulus Executive Board.

By endorsing Alessandra Perlatti, we confirm that Universidad de Monterrey will fully support their participation in the Cumulus Executive Board, including covering all associated costs, such as travel and time allocation, during her term. We also confirm that Alessandra Perlatti will remain affiliated with our institution throughout the entire CEB term (2025–2028).

We believe that Alessandra Perlatti will make a significant contribution to Cumulus and its global community, and we wholeheartedly support their candidacy.

Sincerely,

Mario Páez González  
President  
Universidad de Monterrey
