Subject: Recommendation for the Re-Election of Dr Natacha LALLEMAND to the next Cumulus Board

Dear Friends,

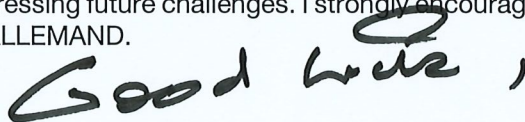

It is with great enthusiasm that I endorse the re-election of Dr Natacha LALLEMAND, whom I have known for 20 years now, to the next Cumulus board.

Throughout her term, Natacha has demonstrated unwavering commitment to the values and mission of Cumulus. With her expertise, strategic vision, and strong collaborative spirit, she has actively contributed to the development of the association and strengthened its impact within the community namely regarding the place of the students.

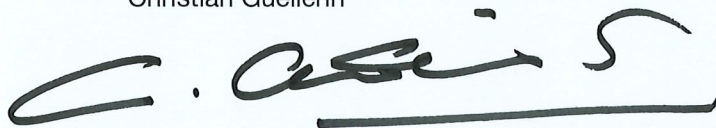

Her professionalism, ability to bring people together, and commitment for the internationalisation of design education has made her an invaluable candidate to continue the work achieved and drive new initiatives within the board.

I am confident that her re-election will allow Cumulus to continue thriving and successfully addressing future challenges. I strongly encourage you to renew your trust in Dr Natacha LALLEMAND.

Best regards,
