Letter of recommendation

for the candidacy of Dr. Ibrahim Dalkilic from ARUCAD Arkin University of Creative
Arts and Design in Cyprus for the Cumulus Executive Board 2025-2028 .

Dear Cumulus Election Committee,

I am honored to recommend Dr. Ibrahim Dalkilic from the ARUCAD University in
Cyprus for the Cumulus Executive Board 2025-2028. His academic and business
background will bring extensive input in terms of media disciplines for the board of
the Cumulus Association. Dr. Dalkilic has carried out his master's degree in
television, film and media production at the University of Sunderland in the United
Kingdom. Before joining the university Dr. Dalkilic worked in leadership positions in
TV and digital media business. He also serves ARUCAD as vice-rector for
international and social affairs which will be a huge benefit for Cumulus.
I believe his membership in the Cumulus board would bring an important
perspective from a creative country, which was so far not as represented in the
Cumulus family, and which will bring in a strong experience from academia and
business to Cumulus.

Sincerely,

Prof. Claus-Christian Eckhardt
