DEPARTMENT OF INDUSTRIAL DESIGN**

**LETTER OF RECOMMENDATION FOR
MICHAŁ STEFANOWSKI**

CUMULUS Secretariat

Ms. Eija Salmi

As the chairman of the Department of Industrial Design, and representative for Izmir University of Economics within Cumulus activities, I gladly support and recommend Prof. Michał Stefanowski, Head of Design Department of Design Faculty at the Academy of Fine Arts in Warsaw, to the Board of Cumulus 2025 – 2028.

While Academy of Fine Arts in Warsaw is an exceptionally qualified partner with whom we have experienced cooperation with in various activities from Erasmus partnerships to joint workshops and projects, Prof. Stefanowski has always been a dedicated member of staff supporting and encouraging our institution to elevate our quality of education. We have no doubt that he will continue to stand for the mutual benefit of design and art schools in the CUMULUS association in the following period to come.

Please do not hesitate to contact me regarding our recommendation if necessary.

Sincerely,

A. Can Ozcan, Chair - PhD., MSc., BID
