More programme details, final session topics and additional contributors will be announced closer to the event.

Afternoon Workshops

Each conference day includes a practical afternoon workshop linked to that day's theme.

The workshops are designed as high-value learning experiences and can also be booked separately. **You do not need to attend the full conference** in order to participate fully in a workshop.

The workshops are for anyone who wants to make a real difference through their work and contribute meaningfully to Afrika's future - including teachers, students, policymakers, designers, entrepreneurs, innovators, future-builders and change-makers.

Each conference day includes a practical afternoon workshop linked to that day's theme.

The workshops are designed as high-value learning experiences and can also be booked separately. You do not need to attend the full conference in order to participate fully in a workshop.

Workshop Focus Areas

Wednesday 21 October 2026

Designing a Shared Brief for a Thriving Afrika

This workshop invites participants to explore what a thriving Afrika could look and feel like, and what we need to understand, protect, challenge, reimagine and activate to help shape it. Participants will begin working with the idea of a shared design brief for a more responsible, relevant and thriving future.

Thursday 22 October 2026

Designing for Ripple Effects and Systems Change

This workshop helps participants look beyond the immediate user, customer, product or solution, and explore the wider systems and ecosystems affected by design decisions. It introduces practical ways to think about meaning, emotional connection, ripple effects and long-term impact.

Friday 23 October 2026

Developing Future-Builders for a Thriving Afrika

This workshop focuses on future-fit learning, Creative Intelligence, human agency and the development of future-builders and change-makers. Participants will explore the skills, mindsets and learning conditions needed to help people navigate uncertainty, think creatively, act responsibly and contribute meaningfully to society, communities and nature.

Workshop spaces are limited and must be booked in advance.

Please note: access to all three workshops is already included in the Full Experience Pass. Full Experience Pass holders do not need to purchase separate workshop tickets, but workshop seats **MUST still be reserved** in advance because capacity is limited.

Dates and times

Wednesday 21 October 2026: **16:00–18:00**

Thursday 22 October 2026: **16:00–18:00**

Friday 23 October 2026: **15:30–17:45**

Workshop spaces are limited and must be booked in advance.

Friday Evening Networking Event

The Friday evening Networking Event creates **space** for delegates, partners, speakers, creatives, entrepreneurs, students and wider members of the public **to connect in a more informal setting**.

The evening includes a welcome drink, entertainment and canapés. A **cash bar** will be available on site.

Please note: access to the Networking Event is **already included in all 3-Day Conference Passes and Full Experience Passes**.

Saturday Community / Cultural Learning Experience with Uthando South Africa

Saturday 24 October 2026

On Saturday 24 October 2026, Uthando South Africa will host **a curated community-based cultural learning experience** for a **limited group of delegates**.

This **hands-on experience extends** the main **conference theme** - "**How Do We Design to Thrive?**" - into **real community contexts**. It offers delegates the opportunity to **see and feel how local entrepreneurs, community leaders and social-impact projects** are already designing for thriving with creativity, resilience and limited resources.

Through this experience, **participants will connect more meaningfully** with **Cape Town's local lived realities** and **witness how community-rooted innovation is helping to improve lives**, strengthen dignity, support opportunity and care for people, place and nature.

The fee for this experience functions as **a meaningful contribution**, with **funds supporting the community projects visited** through Uthando South Africa's model.

Spaces are limited and advance booking is required.
